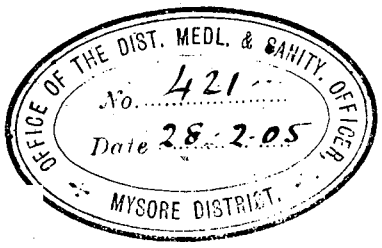
With



Certified that Mr. P. A. Sivaprakasam Pillay, - Munsiff Mysore, has been suffering from debility brought on by exhaustion consequent on severe attack of Malaria, and that I consider it necessary that he should take complete rest for some fifteen or six weeks.

History

I saw him on the 26th September 1904, when he was suffering from an acute attack of Malaria, and had already been under other Medical treatment for some time. I advised him to take rest and be under regular course of treatment.

He seems to have rejoined duty earlier than he should have done with the result that he gets exhausted & flaccid with an hours continuous work.
